

The Cancer Services Team are pleased to offer new Cancer Education Days

Have you encountered a patient with a cancer diagnosis and wished you had a greater understanding of their disease and experience?

These education events offer insight into the following topics :

- Cancer Biology
- Different types of cancer including case study discussions
- Systemic Anti Cancer Treatment (SACT) including Immunotherapy
- Oncological Emergencies
- Palliative Care
- Personalised care + HOPE

This event is being supported by clinicians across the cancer workforce we are fortunate to have presentations from clinical nurse specialists, palliative care nurses, AOS, radiographers, pharmacists and representatives from Macmillan.

These study days are open to all staff and students from Worcestershire Acute Hospitals NHS Trust and also our colleagues working in primary care across Worcestershire.

The dates for the education days are as follows:

- Wednesday 11th February 2026
- Thursday 26th February 2026
- Wednesday 11th March 2026

Each day has a different agenda and it runs from 08.30 until 16.30 at the Lecture Theatre, Charles Hasting Education Centre, Worcestershire Royal Hospital, Charles Hasting Way, Worcester , WR5 1DD
