

## Funding Opportunities for the West Midlands

- *Tight deadline grants are still included in case of 'ready to go' projects.*
- *Region-specific grants located first. England and UK-wide located later.*
- *None of the funds listed are specifically endorsed by Natural England.*
- *Funds newly added this month are marked in blue*
- *Please tell me about any funding successes following my newsletter suggestions!*

### **Chartered Institute of Horticulture: Bursaries and grants**

Directory of grants and bursaries available from organisations for horticultural projects

**UK Community Foundations:** Please check these for locally based Community Foundations who can offer various grants and support:

- Worcestershire Community Foundation
- Herefordshire Community Foundation
- Heart of England Community Foundation (Coventry, Warwickshire, Solihull, Birmingham & The Black Country)

### **John Feeney Charitable Trust (Birmingham)**

The Feeney Trust is a long-established grant making trust which gives priority to applications which are about the arts, heritage and open spaces within or near to the City of Birmingham. The Trust have a special interest in encouraging new work in the arts. Grants of between £500 and £5000 are available to organisations that are based in or have a working presence in the City of Birmingham or make a significant contribution to artistic life in Birmingham. Applications for open space projects must be in or near Birmingham. Trustees are unlikely to be able to consider applications that do not fall into these categories. **The closing date for applications is 31st March 2026.**

### **The Saintbury Trust (West Midlands, with focus on Birmingham and Worcester)**

Arts, heritage, the environment and helping those with disabilities. £1,000 - £5,000. Larger grants tend to be awarded to charities of which the trustees have special knowledge or in the work of which they have a particular interest. **Ongoing**

### **Birmingham and Black Country Communities Fund (Birmingham & the Black Country)**

The Birmingham and Black Country Communities Fund has now reopened! The fund has grants up to £3,000 and aims to support people in Birmingham and the Black Country. Applications must meet one of the following aims:

- Promote health and wellbeing
- Tackling disadvantage
- Support local solutions to meet local needs
- Promote community cohesion
- Develop sustainable and supporting communities

### **The Barrow Cadbury Trust Grants Programme (Birmingham and the Black Country)**

Committed to supporting vulnerable and marginalised people in society. The Trust promotes social justice through grant making, research, influencing public opinion and policy and supporting local communities. Their work is divided into three programme areas: Criminal Justice - building evidence of effective interventions, primarily for young adults and women, at all stages of the criminal justice process; Migration - promoting an immigration system that is fair to both migrants and established residents; Economic Justice - supporting effective approaches to reducing economic and social injustice and assisting in building resilient communities. There is a particular focus on projects located in Birmingham and the Black Country. **Applications can be submitted at any time.**

### **Walsall Community Nature Network (Walsall)**

This summer, Birmingham and Black Country Wildlife Trust are offering microgrants of up to £2,500 for community organisations in Walsall to host events that bring people together to connect with nature. Whether it's a gathering in your local green space, a walk in the sunshine, or a creative nature based workshop, we want to support ideas that spark connection and celebrate the natural environment. As part of growing a community nature network across Walsall, this is also a great opportunity to connect with other local organisations, share ideas, and start bringing nature into your work and practice. **The opportunity goes live at the end of March** - if you're interested, please email [aisha.m@bbcwildlife.org.uk](mailto:aisha.m@bbcwildlife.org.uk) for further details on eligibility and the application process.

*The Walsall Community Nature Network has received funding through the Purple Horizons Nature Recovery Project partnership from a donation made by Axil Integrated Services Ltd. The donation is part of remedial works agreed with the Environment Agency following a fire at Axil's Cannock site in 2022. Axil is supporting six projects through this donation, aligning with their ongoing commitment to local communities and environmental stewardship.*

### **Coventry, Solihull & Warwickshire Communities Fund**

There are grants of up to £3,000 available to support people in Coventry, Solihull and Warwickshire.

Applications must meet one of the following aims:

- Promote health & wellbeing
- Tackling disadvantage
- Support local solutions to meet local needs
- Promote community cohesion
- Develop sustainable & supporting communities

The Herefordshire Community Foundation exists to benefit disadvantaged communities by making grants to support relevant charitable or voluntary organisations, which make a difference to their local communities. Through the Hergest Fund the foundation provides funding support to welfare, educational and environmental activities. **Applications can be submitted at any time.**

### **Herefordshire Community Foundation - Glencora (Herefordshire)**

The Herefordshire Community Foundation exists to benefit disadvantaged communities by making grants to support relevant charitable or voluntary organisations, which make a difference to their local communities. Through the Glencora programme the foundation provides support to organisations that aim to increase environmental awareness or who are active in environmental support and those working with the older generation. **Applications can be submitted at any time.**

### **Crowdfund Shropshire (Shropshire)**

Crowdfund Shropshire, the new civic fundraising platform where community groups can get their projects funded by public and grant funding, is opening in the next month. Projects can bid for up to can pitch for up to £10,000 from the Shared Prosperity Community Fund and up to £20,000 from the Green Spaces and Active Travel Fund. Currently 5 projects crowdfunding at the moment. They include Rural Art Hub, Walking in Wem, Multicultural Children's Day, Little Stars in the Community and Get Crafty With Words. [Check out their projects here](#) for inspiration and donate or spread the word to help them reach their goals

### **Staffordshire Community Foundation - The J&O Lloyd Community Grants Fund (East Staffordshire)**

The Staffordshire Community Foundation exists to benefit disadvantaged communities by making grants to support relevant charitable or voluntary organisations, which make a difference to their local communities. Through the J&O Lloyd Community Grants Fund the foundation provides grants of up to £10,000 to organisations who provide benefit to a community within the East Staffordshire borough. Preference will be given to applications working in one of the following fields; Heritage; Arts & Leisure; Built & Natural Environment; Social & Community Isolation. **Applications submitted between 1st October and 31st March will be considered at a panel meeting in April.**

### **National Forest Company - Small Grants Fund (Leicestershire, Derbyshire, Staffordshire)**

Through the National Forest Small Grants Scheme funding is available to support projects that contribute to the aims and objectives of the National Forest. Those who operate within the Forest area can apply for grants to support a range of projects and activities. **Applications can be submitted at any time.**

### **The Edward and Dorothy Cadbury Trust (West Midlands)**

Funding is available for charitable organisations in the West Midlands working in the areas of social welfare, music, nature, education and training combined with the Quaker values of simplicity, equality, justice, peace and care of the environment. Grants are available of between £1,000 and £5,000.

**Applications can be submitted at any time.**

### **npower Business Solutions Foundation (West Midlands)**

Aims to support not-for-profit organisations and educational institutions located within a 50-mile radius of their Solihull (B91 3ES) and Leeds offices in creating sustainable communities. The foundation offers grants of up to £100,000 for projects focused on decarbonisation, responsible business growth, social innovation, and local skills/employment promotion. Projects that help to improve the environment, forge stronger community bonds, encourage responsible business and improve places and spaces. **Applications can be submitted at any time.**

### **Forestry Commission - Tree Health Pilot Scheme (focus on West Mids)**

The Scheme is testing ways to slow the spread of pests and diseases affecting trees in certain regions of England. Eligible trees include larch, spruce, sweet chestnut, oak, and ash affected by various diseases. The grants cover activities such as woodland management and tree maintenance. To be able to participate, the woodland needs to be located in North West England, the West Midlands or the South East and London. individuals or groups. **Applications can be submitted at any time.**

### **Severn Trent Community Fund (East Midlands, West Midlands, South West)**

Voluntary or community organisations in the Severn Trent Water region are eligible to apply to the £10 million Severn Trent Community Fund for funding to increase community wellbeing. This includes support for projects that help people to lead a healthier life and gain new skills; help to create better places to live in and use; and Projects that will help look after the natural environment, give people greater access to that environment or help look after water.

**Applications can be submitted at any time.**

## UK/England Wide:

### Angus Irvine Playing Fields Fund (UK)

The Playing Fields Legacy Fund (PFLF) provides grants to local community groups, sports clubs and charities. Applications can be made for grants towards some or all of the following types of projects with the intention of growing capacity to reach more young people: The development and improvement of playing fields and other facilities; the development and training of volunteers including the provision of qualifications; the purchase of specialist disability equipment; the development of long-term sustainability, for example marketing and finance expertise; The organising, coaching and other key operational costs of running sports activities. Grants will typically be in the range from £2.5k - £5k although a larger grant may be possible in some circumstances. Where it can be demonstrated that a grant will help unlock additional funding from other funders, this is encouraged.

**The closing date for applications is 30th March 2026.**

### Grants to Improve the Lives of Disadvantaged People (UK)

Members and colleagues of the Yorkshire Building Society can nominate UK Charities to apply to the Yorkshire Building Society Charitable Foundation's Small Change Big Difference Fund. The Foundation aims to help alleviate poverty, improve health, and save lives. Once nominated, organisations can apply for grants of up to £2,500 to support initiatives that benefit vulnerable groups in the UK, including children, the seriously ill, the elderly, the homeless, and people with disabilities. Priority will be given to organisations with an annual income under £100,000 and those supporting marginalised communities. To access the funding, charities should consider encouraging supporters who are members or colleagues of the Yorkshire Building Society to nominate them for potential funding opportunities. **The next application deadline is 31 March 2026**

### Grants for Environmental and Social Wellbeing Projects (UK)

UK-registered charities can apply for grants to support projects that improve the environment, strengthen communities, or promote wellbeing. The funding is provided by the Calisen Impact Charitable Trust. The Trust supports community projects that encourage sustainable energy use and promote inclusive, safe, and diverse places to learn and work. Past projects include partnerships with Eco-Schools, which help schools gain Green Flag accreditation and engage children in environmental action. Not specified a total fund value or maximum grant amount. **The next application deadline is 31 March 2026.**

### **Sasha Foundation (UK & International)**

Grants of up to £10,000, or 50% of a project's budget, to established charitable organisations supporting young people with mental health or drug issues, particularly for young women. **Closing date for applications is 1st April 2026.**

### **Veolia Environmental Trust Grants (UK)**

The Veolia Environmental Trust is a Distributive Environmental Body that awards grants as part of the Landfill Communities Fund. Constituted, not-for-profit groups within the vicinity of a qualifying Veolia site, can apply for grants for projects that support the natural, social and built environment. The type of activities that can be supported include Community buildings and rooms: such as community centres, village halls, community spaces within religious buildings, Scout/Guide buildings; Outdoor Spaces: e.g. public parks, nature reserves, community gardens, footpaths, or cycle-paths; Play and recreation: e.g. play areas, skate-parks, sports facilities. The maximum grant is £75,000 for projects with a total cost of under £250,000. **The closing date for applications is 2nd April 2026.**

### **Aviva Foundation funding**

The Aviva Foundation is a UK-wide fund supporting charities working on financial resilience and community-led climate action. The Foundation offers two main types of funding:

- Financial Futures Fund – Multi-year grants for larger UK charities (with annual income of £1 million+) working to tackle financial insecurity and help people build financial resilience.
- Communities Fund – Supports smaller local charities and community organisations (with annual income of £1 million or less) with projects that improve financial wellbeing and address climate action. It uses a matched-funding approach (Aviva matches public donations up to a set amount). **Deadline: closes 15 April 2026**

### **Enovert Community Trust (UK)**

Enovert Community Trust (formerly Cory Environmental Trust in Britain) is an Environmental body which supports community and environmental projects. The Trust awards grants under the terms of the Landfill Communities Fund (LCF), providing funding to a broad range of projects that have a positive impact on local communities. The Trust is committed to supporting community and environmental projects across the UK. These include improving community halls, the creation of new play areas and skate parks, and restoring green spaces. Fundraising by applicants is looked upon favourably by the Trustees. Applicants will need to secure a 10% third party contribution which will be payable to Enovert Limited prior to the project commencing. **The closing date for applications is 29th May 2026.**

### **England Woodland Creation Offer (England)**

To support woodland creation and tree planting across England. Landowners, land managers and public bodies can apply to the England Woodland Creation Offer for support to create new woodland, including through natural colonisation, on areas as small as 1 hectare. The grant will cover standard capital costs for tree planting (up to a per hectare cap), as well as rewarding farmers and landowners for providing public and/or wider environmental benefits. **Closing date 31<sup>st</sup> May 2026.**

### **The Matthew Good Foundation - Grants for Good (UK)**

The Matthew Good Foundation's Grants for Good aims to support small charities, not-for-profit groups and social entrepreneurs who are passionate about making a difference to people, their community or the environment. The Fund will share £15,000 between five shortlisted projects every three months, which will be voted for by John Good Group employees. The project that receives the most votes will receive a grant of £5,000, second place £3,500, third place £2,500 with fourth and fifth place both receiving £2,000. As well as established projects and charities, the Foundation wants to hear from people with innovative ideas that need some funding to get their projects up and running. **The closing date for applications is 15th June 2026.**

### **Community Programmes Funding – People's Postcode Lottery**

Local charities and community groups can apply for grants of £500 to £20,000 through trusts funded by players of People's Postcode Lottery. Of particular relevance to nature and environmental work are the **Postcode Local Trust (deadline Wednesday 19<sup>th</sup> August for this round)**, which supports projects improving access to outdoor space, biodiversity and sustainability, and the **Postcode Community Trust (deadline Wednesday 19<sup>th</sup> August for this round)**, which funds initiatives promoting health and wellbeing, including activity in green and blue spaces. Funding available to small, community-led orgs.

### **Woodland Trust - Free Trees (UK)**

Free tree packs to give away to schools, community and youth groups, available for planting on one publicly accessible site. First come first serve basis. All applicants need to do is find a suitable site and supply the volunteer planters and tree protection. Tree packs for schools and communities offer the perfect opportunity to bring people together to plant trees - encouraging local wildlife, protecting our landscape against tree disease and creating beautiful wooded areas that people can enjoy for years to come. **Applications expected to close in August 2026, with delivery of tree packs in November 2026.**

### **Focus Foundation Grants Programme (UK)**

The Focus Foundation provides grants to support socially or economically underprivileged children or young people, mental health charities and initiatives, and charitable or community projects local to one of Focus Group's UK regional offices. The Focus Foundation's grants are designed to support community and charity groups that align with their core priorities, mainly targeting underprivileged children or young people and mental health initiatives. **The closing date for applications is 7th September 2026.**

### **National Lottery Community Fund: New Climate Action Fund strand on strengthening food systems**

Food sits at the heart of our health, our communities and our environment. But too often, food insecurity, environmental damage and inequality are tackled separately. The National Lottery Community Fund's Climate Action Fund strand on food is looking for ambitious, long-term projects that strengthen food systems, tackle the root causes of food insecurity and work with nature to create lasting change. Now looking for partnerships and organisations that already have the skills, relationships and infrastructure to work at scale to lead transition to food systems that are fairer, more resilient and better for people, climate and nature. A project must work towards systems change in the way that:

- Community organisations grow and produce food using agroecological methods
- Food gets distributed aiming for equitable access to healthy, affordable food for all
- Offers people and communities different food options, especially those experiencing poverty, disadvantage or discrimination.
- Grant minimum of £2.5m over 3 years
- Available UK wide
- Focused on long term, systems level change

**Applications can be submitted at any time.**

## **Projects for Nature**

Projects for Nature has been relaunched in conjunction with SpaceHive. We are bringing together a unique collaboration of businesses, eNGOs, expert environmental bodies and government to achieve one goal: bring Projects for Nature to life to bridge the funding gap and accelerate urgently needed nature recovery. Funding projects that cost a minimum of £50,000. The first link below takes you directly to the register of interest form. The second takes you to the Projects for Nature website.

**Applications can be submitted at any time.**

[Expression of Project Interest - Projects for Nature](#)

[Nature recovery & business - Projects for Nature](#)

## **D'Oyly Carte Charitable Trust - Grants for the Environment (UK)**

The D'Oyly Carte Charitable Trust was established in for the advancement of the arts, health and medical welfare and environmental protection or improvement. Through the Environment programme the Trust aims to protect the countryside, species and habitats as well as well as the UKs heritage and rural crafts and skills. **Applications can be submitted at any time.**

## **Biffa Award Main Grants Scheme (England, Wales and Northern Ireland)**

Under this scheme, Biffa look to award grants to projects that provide or improve biodiversity, community spaces, cultural facilities, and places for outdoor recreation. The type of activities that could be funded could be to improve community buildings; site-based projects to protect and enhance a species or habitat; improving an open space such as a park, play area or woodland that needs transforming to benefit local people of all ages. Between £10,000 and £75,000 is available for projects of less than £200,000. Ten percent of the award needs to be third party sourced.

**Applications can be submitted at any time.**

## **Alice McCosh Trust (UK)**

The object of the Alice McCosh Trust is to advance education by providing or assisting with grants for work or study related to natural history and/or the environment, for schools and higher education organisations. It is anticipated that the Trustees will award a grant in the region of £600 to £1000. The grant could, for example, cover the cost of a school field trip or project, an expedition as part of a research project or the development of new teaching materials for schools or institutes of higher education. **Applications can be submitted at any time.**

## Funds with no application deadline, carried over from previous month's edition.

### **Jephcott Charitable Trust Grant (UK)**

The Jephcott Charitable Trust makes grants for charitable purposes in four main areas of funding: population control, the environment, education and health. Preference will be given to charities or projects which are having difficulty getting started, or raising funds from other sources. This often means that the Trust is funding capital projects, e.g for equipment or materials, rather than running costs. Grants are made to charities in all parts of the world. The Jephcott Charitable Trust does not support projects involving animal welfare or heritage sites or buildings. Projects which require long-term funding are not normally considered. Applications are considered at trustee meetings which are held in April and October. You will hear shortly after these meetings whether your applications have been successful or not. **Applications can be submitted at any time.**

### **The Dulverton Trust - Conservation Grant (UK)**

The Dulverton Trust is an independent grant-making charity that supports UK charities and Charitable incorporated Organisations tackling a range of social issues, protecting the natural world, and preserving heritage crafts. Through its Conservation funding strand, the Trust supports a small number of charities working to support the general conservation and preservation of wildlife habitats in the UK; protect, plant, and sympathetically manage trees and native woodlands; and protect coastal and marine environments. **Applications can be submitted at any time.**

### **Happy Days Children's Charity - Family Respite Breaks**

Happy Days Children's charity works with local communities across the UK to provide vital respite breaks for individuals, families and groups who support children with additional needs. Help is available for young people between 3 and 17 with learning difficulties, physical or mental disabilities and with acute, chronic or life limiting illnesses, support is also available to young people who have been abused or neglected, witnessed domestic violence, been bereaved or act as carers for a parent or a sibling. Through the Family Respite Breaks programme the charity provide 2 -4 night family breaks within the UK. **Applications can be submitted at any time.**

### **Andy Fanshawe Memorial Trust Grant (UK)**

Charitable organisations, schools and youth groups that offer outdoor recreation opportunities can apply for funding for projects that allow young people to experience outdoor recreation. The Trust is likely to support groups representing those who are disadvantaged or who face particular challenges. The grant aims to support specific projects that encourage young people to further their existing skills and gain new experiences. Eligible expenditure includes equipment, course fees and trips. Expeditions abroad are not supported. **Applications can be submitted at any time.**

#### **Trusthouse Charitable Foundation - Small Grant (UK)**

The Trusthouse Charitable Foundation is a grant making foundation that give grants to small and medium sized local organisations in the UK with a demonstrable track record of success working to address local issues in communities of extreme urban deprivation and deprived rural districts. Through the small grants programme the foundation provides funding of between £2,000 and £10,000 to charitable organisations with an income of less than £250,000 for projects that focus on Community Support. Examples of the kind of projects that can be funded include: Community Services; Community Centres; Alternative Education; Training, mentoring, employment and volunteering opportunities; Youth; Counselling; Family Support Services; Substance Misuse. **Applications can be submitted at any time.**

#### **Bernard Sunley Foundation - Health Grants (England and Wales)**

The Bernard Sunley Foundation aims to raise the quality of life in England and Wales, particularly for the young, disadvantaged and older people. Through the Health funding strand, the Foundation supports building and refurbishment projects, specialist new transport and the creation of outdoor or recreational spaces for care homes, hospices, day centres and other facilities that provide relief and sanctuary for patients, their families and those with special needs. The emphasis is on helping charities that are providing an excellent standard of care and support within their communities. **Applications can be submitted at any time.**

#### **Bernard Sunley Foundation - Education Grants (England and Wales)**

The Bernard Sunley Foundation aims to raise the quality of life in England and Wales, particularly for the young, disadvantaged and older people. Through the Education funding strand, the Foundation supports improvements and new facilities at special needs schools and the purchase of new, adapted minibuses that benefit children with special needs and disabilities. The Foundation also awards grants to educational nature centres and to new education and learning centres at museums, galleries and other arts organisations. **Applications can be submitted at any time.**

#### **Persimmon Community Champions (England, Scotland and Wales)**

Providing grant funding of up to £1000 to registered charities, clubs, schools and other organisations which have already raised vital funds themselves towards projects to enhance their local community. The type of projects supported to date have included support for foodbanks; projects within schools; and sports projects; etc. **Applications can be submitted at any time.**

#### **John Ellerman Foundation - Environment: People and Planet (UK)**

The John Ellerman Foundation's People and Planet funding scheme provides grants to charities that work to promote a healthier environment for both people and nature. The scheme prioritises projects that enhance ocean health through stronger marine protected areas and on land and in freshwater through sustainable management, habitat restoration, and landscape-scale conservation. The scheme also aims to address the impact of human activities like climate change and pollution on air, land, and water. **Applications can be submitted at any time.**

#### **Swire Charitable Trust (UK)**

The Swire Charitable Trust makes grants to charities supporting some of the UK's most vulnerable people to overcome barriers and realise their potential, and to charities who are protecting the environment and heritage. **Applications can be submitted at any time.**

**Historic England – People: Funding for Activities that Help People Understand & Champion the Historic Environment (England)**

Historic England offers grants to support charities, community and voluntary groups, and other organisations to deliver activities that help people understand and champion the historic environment. This funding focuses on projects that involve people in heritage, particularly marginalised or under-represented groups, through engagement, skills, training, education and heritage project-based posts. **Applications can be submitted at any time.**

**The Tree Council - National Highways 3 Million Trees Project (England)**

The Tree Council is helping National Highways plant 3 million trees by 2030 by gifting up to 600,000 trees to communities across England annually. The initiative aims to benefit both nature and communities through low carbon tree planting. A selection of tree species, with orders of between 2,500 to 50,000 whips available to a wide range of applicants, including charities, farms, education institutions and more. **Applications can be submitted at any time.**

**Historic England - Places: Funding for Activities that Repair, Conserve & Care for Heritage (England)**

Historic England offers funding to support projects that repair, conserve, and care for historic places, including listed buildings, monuments and landscapes. This funding programme helps heritage sites become more resilient, accessible, and inclusive, especially those most at risk. Grants are primarily awarded for urgent repairs or other work required to address risk by preventing loss or damage to important architectural, archaeological or landscape features. **Applications can be submitted at any time.**

**National Community Lottery Fund: Reaching Communities Fund**

**The Reaching Communities programme has new priorities (since 1 April)** which will help the funder to deliver its missions and create fairer, stronger, more resilient futures for communities - projects that: support places, people or communities experiencing poverty, disadvantage or discrimination; and support people and communities to shape the decisions that affect their lives. [Read more](#)

**Sport England - Movement Fund (England)**

The Movement Fund by Sport England provides crowdfunding pledges, grants, and support for projects that aim to increase physical activity. Eligible projects can receive up to £15,000 to provide physical activity opportunities for the people and communities who need it the most. The grants can be used to cover a wide range of costs and items that will help deliver positive change, particularly for those facing barriers to activity. **Applications can be submitted at any time.**

### **HS2 Community and Environment Fund (England)**

The HS2 Community and Environment Fund (CEF) has been established to offset the disruption caused to local communities throughout the construction phase of HS2. The aim of the CEF is to award grants of up to £75,000 to projects that will benefit communities along the route. Supported projects could include, for example: Pedestrian, equestrian or cycle access; landscape and nature conservation / enhancement; enhancement / replacement of sports and recreational facilities; refurbishment / re-use of historic buildings and monuments. Capital and revenue costs can be funded.

**Applications can be submitted at any time.**

### **National Lottery Heritage Grants**

Guidance and application forms to apply for a **National Lottery Heritage Grant** under their new **10-year strategy, Heritage 2033** have now launched on their website. Organisations can apply at any time for grants £10,000 - £250,000. To get feedback and advice before starting an application, applicants can submit a **Project Enquiry**. Organisations can also apply for grants £250,000 - £10million, but must first submit an **Expression of Interest** and, if successful, will be invited to apply. 4 **investment principles** guide all grant decision making and must take all principles into account:

- saving heritage
- protecting the environment
- inclusion, access and participation
- organisational sustainability

**National Lottery Grant Schemes** - The National Lottery has two regular community grant schemes which are ongoing (**no firm deadline**).

- **Awards for All**: Offers grants between £300 and £20,000 for up to 2 years.
- **Reaching Communities**: Offer grants from £20,001 for up to 5 years.

Both programmes fund projects or organisations that will do at least one of these things:

- bring people together to build strong relationships in and across communities.
- improve the places and spaces that matter to communities.
- help more people to reach their potential, by supporting them at the earliest possible stage.
