

Account Creation

Introduction

The ICS Academy Exchange is a learning management system and a repository of learning resources that has been created as a shared resource for the workforce of the Herefordshire and Worcestershire Integrated Care System.

Accessing the ICS Academy Exchange

1. The ICS Academy Exchange can be accessed from this link from any device.

<https://icsacademyexchange.totaracloud.com/>

Or by scanning this QR Code.

Guest Access

There are two ways to access the ICS Academy Exchange. The first is Guest Access. Guest access allows anyone to access the ICS Academy Exchange and make use of any resources that don't require an enrolment. This includes the Resource Library.

Proud to be a part of

Herefordshire and Worcestershire Integrated Care System

1. To login in as a Guest click on the Login in as a guest button and continue.

[Log in as a guest](#)

Creating a user Account

To access to courses that require an enrolment you will need to create a user account.

1. From the login screen click on the Create new account button.

[Create new account](#)

2. Next complete the mandatory fields highlighted with a red asterisk.
3. **Note:** you are creating your own user name which can be anything of your choice but could for example be joanna.smith or it could be your email address.
4. **Note:** if you work for an NHS organisation you also need to enter your organisation identifier and your unique organisation identifier number.
5. **Note:** If your organisation is not listed, please contact hwicb.icsacademy@nhs.net
6. Once you have completed all the sections click on Create my new account and begin accessing resources.
